

SERIOUSLY FUN

CUVE CLOSE SPARKLING WINES

WWW.MLAWRENCE.US

ROSSO is our not dry / not too sweet red sparkling wine.

This cuvee is produced from Pinot Noir, Regent, Syrah, Chardonnay and Marechal Foch wine grapes. The Pinot Noir and Chardonnay were hand picked, gently pressed and fermented in stainless steel. The red grape varieties were hand picked, crushed, and fermented on the skins to extract color and flavor. After fermentation, the wines were blended before being fermented in the cuve close method producing delicate natural effervescence.

Finished semi-sweet, the wine has flavors of ripe dark berries with the light mouthfeel of a sparkling wine.

DETAILS

Cepage: Pinot Noir 40%
Regent 35%
Syrah 10%
