

SERIOUSLY FUN

CUVE CLOSE SPARKLING WINES

WWW.MLAWRENCE.US

SEX, our rose sparkling wine, is also our most provocative wine offering.

This blend is produced from selected wine grapes from various vineyards, which are hand-harvested and whole-cluster pressed. Only the second, gently pressed fractions of the juice are used for this cuvee. The young wines are blended before being fermented in the cuve close method, producing the delicate natural effervescence. The dosage, which gives the wine its distinctive color, is produced from deeply colored red wine.

Finished Dry (1.5 % residual sugar), the wine has ripe soft-fruit scents, fine pinot fruit flavors and a clean, rounded finish.

AVAILABLE IN DETAILS 20 LITER KEGS

Cepage: Pinot Noir 60%
Vidal 25%
Chardonnay 10%
Muscat 5%

Dosage: Dry [1.5% RS]
