

# SERIOUSLY FUN

CUVE CLOSE SPARKLING WINES

WWW.MLAWRENCE.US

**US** is our classic dry sparkling wine.

This blend is produced from selected wine grapes from various vineyards, which are hand-harvested and whole-cluster pressed. Only the second, gently pressed fractions of the juice are used for this cuvee. The young wines are blended with older, reserve wines before being fermented in the cuve close method, producing the delicate natural effervescence.

Finished Dry (1.0 % residual sugar), the wine has ripe soft-fruit scents, fine pinot fruit flavors and a clean, rounded finish.

## DETAILS

CEPAGE: Pinot Noir 75%  
Chardonnay 25%

DOSAGE: Dry [1.0% RS]
